*\* We do not currently offer access to other areas of the medical record of patients who are under 16 years of age. This decision may be reviewed when additional functionality for proxy access is available. Access to coded information on illnesses (Problem headings & coded data within Consultations) can be applied for by patients over the age of 16 who will be accessing their own data.*

Signed: ..... (child aged 11-15 years) Date: .....

**Parent/Carer details**

*To apply for online access on behalf of the child named above OR to give consent to independent access (if aged 11-15). By signing below you agree to abide by the Terms and Conditions for online access as kept on <http://stgeorgehealthcentre.nhs.uk> if access is granted to you. Parent/Carer access will be removed when a child is 16 years old. If a child over the age of 10 requests that we remove parent/carer access, this will be granted in cases where a GP who is familiar with the child agrees.*
